WHAT IS THE CATCH?

We may earn a few cents per play from unlicensed tracks when used for free. This is because Blue Fox Music is registered with Content ID systems and can result in ads running on your video. If you'd rather keep any ad revenues, or run your video ad-free, you'll need to purchase a license and we'll quickly clear your video of any Blue Fox Music copyright claim.

Please note: A copyright claim is not the same as a copyright strike and is nothing to worry about in relation to using Blue Fox tracks.
